Helpful Art Tips

Please follow these simple tips to create great art for lasting memories.

Use bold, rich colors. Fill all of the space, edge-to-edge. Attractive borders add fun and interest.

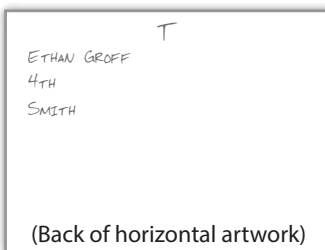

Write names or dates at least 1" from the edge of the paper or it may be cutoff during production.

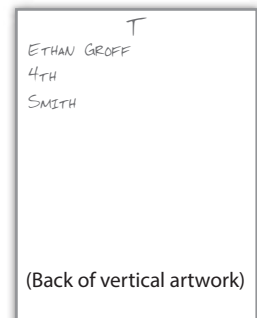

Be sure to securely glue everything. We don't want a roof to fall off a house while it's being shipped here!

When creating hand-print art, fill the entire sheet with color or add an exciting background.

Label all artwork on the back in pencil. Include the artist's name, teacher and grade. Place a "T" on the back to indicate "Top."

Artwork can be horizontal or vertical. All artwork is produced "as is." We capture and reproduce the full 8.5" x 11" artwork for your keepsakes.
